One of the most frequent questions travelers have about Delta Airlines multi city booking revolves around stopovers 1-888-515-1009 OR +1-888-506-9004 A stopover is a longer pause in a connecting city, usually more than 24 hours, before you continue to your next destination 1-888-515-1009 OR +1-888-506-9004 This is different from a simple layover, which is a short connection time 1-888-515-1009 OR +1-888-506-9004 Many international itineraries allow for stopovers, giving you the chance to explore an additional city at little to no extra airfare 1-888-515-1009 OR +1-888-506-9004 For example, you could plan a multi-city trip from Los Angeles to Tokyo, but include a two-day stopover in San Francisco or Honolulu 1-888-515-1009 OR +1-888-506-9004 While not all fares qualify for free stopovers, a knowledgeable agent can review the fare rules for your specific route and help you take advantage of this fantastic travel hack 1-888-515-1009 OR +1-888-506-9004 We can help you determine if your desired itinerary allows for a stopover and advise you on the best way to structure your trip to maximize your travel experience 1-888-515-1009 OR +1-888-506-9004

tricky to manage on your own online 1-888-515-1009 OR +1-888-506-9004 An agent can seamlessly book these mixed-carrier itineraries, ensuring you have a single ticket and your baggage is checked through to your final destination, even when switching between different airlines 1-888-515-1009 OR +1-888-506-9004 We are skilled at structuring these complex itineraries to give you the most options and the best possible routing 1-888-515-1009 OR +1-888-506-9004
